REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Since its 1963 inception, Lakeside Middle School has been dedicated to providing a quality education for the children of our community. This dedication is evident in the many outstanding opportunities offered to our students. Lakeside currently serves over 1,000 students in grades six, seven, and eight and has a diverse population representing various socio-economic, racial, cultural, and educational backgrounds. Our school offers a balanced program of academics, fine arts, community involvement, and athletics which creates a unique learning environment designed to meet the needs of middle school students.

Lakeside is proud to offer our students many opportunities. Students can choose band, strings, chorus, art, drama, engineering, conflict resolution, or creative writing courses during their related arts. These classes give students opportunities to explore interests outside of the academic areas. They also have the opportunity to take accelerated classes, earn high school credit, and participate in the district's gifted and talented program. Eligible students are also provided the opportunity to take the SAT or PSAT in seventh and eighth grade to be identified as Duke TIP Scholars or as Junior Scholars. This year sixty-eight students qualified to take the PSAT and thirty students qualified to take the SAT. Seventh and eighth grade students may also earn high school credit in Technology. We are proud of the academic progress of our students and continually strive to improve our performance as well as our students.

Additionally, students are provided with many opportunities during afterschool hours. These include sports, Robotics, Math Counts, Vikings with Vision, Planet Patrol, It's A Girl Thing, Tiger Talk, and Beta Club. Student Council and Lakeside Ambassadors partner with local service organizations to teach our students the value of volunteering and community service. Additional learning opportunities are offered throughout the school day. Students are able to have extended time with a teacher or learning time that is directly linked to standards on a computer-based program.

We are pleased to be able to offer AVID (Achievement Via Individual Determination) to all grade levels. This program targets students who have shown academic potential but need additional support in order to become candidates for Advanced Placement coursework in high school. A long-term goal for this program is to provide the opportunity for academic success in high school and postsecondary education.

Lakeside has an active PTO, School Improvement Council, and a CBS (Chorus, Band, and Strings) Booster Club. These groups provide the foundation and support for the many activities that take place at our school. The PTA and CBS Clubs are instrumental in providing monetary support and volunteer hours for our faculty and students.

We are proud to offer our students a safe environment, a healthy start, an ongoing relationship with a caring adult, an opportunity for service, and a marketable skill through an effective education. The united mission and promise to our students and community will continue to guide our way into the future. Our challenge continues to be to find ways to close the achievement gap and to meet the needs of our students during major budget cuts. We hope you will join us as we continue to provide quality educational experiences for our children.
